About submissions:

- Any working or static project is allowed.
- Students can submit individually or make a team of maximum 3 participants.
- Participants should take a 2-5 mins video explaining the concept of the project.
- Separate link will be provided to registered participants to upload the video.
- Early submission is encouraged.
- The last date for acceptance of entries is 15th February 2023.

- ✓ Exciting prizes will be awarded to top 3 winners from each category.
- ✓ Winning entries will be published on InteleQ's website.
- ✓ E- certificates will be given to all the qualified participants.

We are looking forward to submissions from across the globe and celebrating the 'National Science Day' with you.

BEST WISHES TO ALL PARTICIPANTS
